VDS-3 ENGINE OIL

This engine oil was developed for use in harsh conditions under heavy loads and high temperatures. It has been tested to Volvo Penta's highest specifications for purity and protection against wear for year-round use. This oil promotes cleaner engines, reduces engine wear and combats cylinder polishing. Specially formulated for Volvo Penta gasoline and diesel engines. Complies with VDS-3, Volvo Drain Specifications, API SL, CI-4.

SAE 30 HEAVY DUTY SYNTHETIC ENGINE OIL

Volvo Penta Synthetic Engine Oil outperforms and outlasts all mineral motor oils by retaining its lubricating effectiveness longer. Its enhanced viscosity decreases friction and wear, promoting longer engine life, increased engine efficiency, better fuel economy and reduced oil consumption. Formulated for gasoline engines where SJ, CD, CDII, CE, CF and CFII oil is required.
